| Services

We provide comprehensive, high quality services covering every aspect of Intellectual Property Law:

- Applications for Patents, Designs and Trademarks
- Infringement Proceedings / Preliminary Injunction Proceedings
- Opposition and Revocation Proceedings
- Opposition Proceedings / Cancellation Proceedings
- Expert Opinions (including Freedom-to-Operate Analyses, Due-Diligence Opinions)
- Handling of Annuity Issues and Monitoring of Fees
- Strategic Consultation and Portfolio Management
- Translations
- Advice on Drafting Agreements
- Searches in Intellectual Property
- Customs Seizures

We organize seminars and workshops for companies on all aspects of patent law, design law and trademark law. Our seminars and workshops are tailored to the specific requirements of each company.

Moreover, we present lectures on topics covering all fields of Intellectual Property Law at the Technical University of Munich (TUM) as well as at universities abroad, including China, Japan and Korea.

Our **isarp[®]patent** professional seminar is held in Munich every year in autumn and offers information on current topics in Intellectual Property Law. We look forward to your visit!

| Office

isarp^{at}ent[®] Patent- und Rechtsanwälte Barth Charles Hassa Peckmann & Partner mbB is a renowned intellectual property law firm. Since our founding more than 70 years ago, we have gained experience in all fields of German and European patent law, trademark law, design law, competition law and copyright law.

The headquarters of **isarp^{at}ent**[®] is conveniently located in central Munich in close proximity to the German Patent and Trademark Office (DPMA) as well as to the European Patent Office (EPO). In addition, there are two further offices in Coburg and Freiburg.

isarp^{at}ent[®] works with a proven network of highly experienced associates throughout the world to ensure effective prosecution and defense of our clients' intellectual property rights in all countries.

Do not hesitate to contact us and profit from our expertise and our extensive experience.

| Team

Our team of over 100 members comprises of more than 25 patent attorneys as well as a number of attorneys at law supported by patent engineers, trainees and further highly qualified staff.

In order to provide the best possible support for our diverse clients, our office is divided into several specialized **technical departments**:

- Biotechnology / Chemistry
Pharmaceuticals / Food and Nutrition
- Electrical Engineering
- Information Technology
- Mechanical Engineering
- Medical Technology
- Physics

In addition to these technical departments, our **legal department** offers comprehensive advice in all areas of trademark and design law to our clients. In litigation proceedings our IP lawyers cooperate closely with the appropriate patent attorneys in the specific technical departments.

All attorneys in our firm are fluent in German and English. Other languages spoken by our staff members include Japanese, Chinese, Korean, French, Spanish, Russian and Italian, assuring efficient communication on an international level.
