isarpatent® is a distinguished European law firm, renowned in the field of IP, handling all matters relating to patent law, trademark law, utility model and design law. **isarpatent®** provides IP prosecution as well as infringement assessments and proceedings related thereto.

isarpatent® has had longstanding experience in the Chinese market. We assist famous Chinese companies, medium-sized companies, start-ups and universities in the enforcement of their rights either in Germany / Europe, in close cooperation with Chinese partner law firms. The services offered by the China Department at **isarpatent®** also include translation services.

Our China Department will be happy to answer any questions you may have. Please do not hesitate to contact us!
