| Cooperation with Japan

isarpatent® is a distinguished European law firm, renowned in the field of IP, handling all matters relating to patent law, trademark law, utility model and design law. **isarpatent®** provides IP prosecution as well as infringement assessments and handles the related proceedings.

isarpatent® has been operating in Japan for decades. We assist famous Japanese companies, medium-sized companies, start-ups and universities in the enforcement of their rights in Germany and Europe, often in close cooperation with Japanese partner law firms. The services offered by the Japan Department of **isarpatent®** also include translations from and into Japanese.

We will be happy to answer any questions you may have.
Please do not hesitate to contact us!
